

# God's multiplication - sandwiches to truckloads!

It is a privilege for our family to help meet the basic needs of families with food & clothing and to share the hope of Jesus for a better tomorrow. Our heart is to see families restored by the love of Jesus. God's heart is "to take it to the streets". By getting into the communities we get to know the needs and God takes over to meet them. We pray in agreement with families for God to bring them a miracle.

House of Hope reaches 1500 families each month with 75,000 pounds of food with the help of 100+ volunteers. We are excited that the Body of Christ is uniting to fill the needs of families living in poverty.

James

1:27

**Religion** that God our Father accepts as **pure** and faultless is this: to look after orphans and widows in their distress and to keep oneself from being polluted by the world.
